# 121 COMMERCE

An AI Agent that works with you, empowering your associates, and elevating your brand as technology becomes a seamless part of every touchpoint.

- ✦ Enrich product experiences that enlighten, entertain, and educate — faster with AI.
- ✦ Localize your catalog with culturally aligned, brand-authentic translations.
- ✦ Generate product video clips that elevate product demonstration.
- ✦ Create and preschedule new product presentations for the coming season.

- ✦ Enable AI to learn from every session, delivering smarter, more personalized experiences.
- ✦ Strengthen the AI Agent by capturing each customer session and associate feedback to improve future recommendations.
- ✦ AI-powered POS that assists associates in enlightening customers about products.

# Unified Partner Ecosystem

Our platform is designed for seamless connectivity. By integrating with industry leading partners, Teamwork Commerce helps retailers unify operations, enhance store performance & craft an **exceptional customer experience**.
